## **CWT MARKET**

The *CWT Market* application contains links to download and install other applications developed and maintained by third parties. Although CWT believes these applications may be useful to travelers, CWT is not affiliated with the developers of these applications and is not responsible for their content. Your use of these applications is subject to the terms of use for each such application you choose to download and install. CWT does not represent or warrant that these applications are error-free or that they comply with the laws of your location.

In using the *CWT Market* application we may collect non personal data about use of the application such as pages visited, times and volume use of the services as well as traffic data. Traffic data includes such things as logs, details of networks, time of log-on or access, length of sessions and similar systems data. We do this to improve our products or to provide services or technologies to you.

If you are the developer of one of the third party applications listed in the *CWT Market* application and would prefer that CWT Market not provide a link to your application, please send a letter on your official company letterhead to CWT Legal Department, 31 Rue du Colonel Pierre Avia, 75904 Paris Cedex 15, France, to request removal. After confirming your identity, we will gladly honor any such requests.

CWT reserves the right to modify these terms at any time. Your continued use of the *CWT Market* application constitutes acceptance of these terms.
